Dear Mr. Shulga,

In Ufa I have written all diploma's for the CPI prize winners and new titles and almost all have been given to the representants of the federations. Only not to Belarus. I have written them an e-mail some weeks ago if they already wanted this diplomas or that they wanted to wait until the confirmation of all titles during the General Assembly 2013.

They are now and then strictly formal and I did not want to give diploma's to Belarus when they did not considered it formaaly OK.

I always run the risk with such a thing that Belarus accuses me of doing illegal things; that's why I take care with giving diplomas to Belarus.

to Rustam Shayahmetov I personnally gave the diploma of International Master. He was very pleased with it and said he was the first composer of bahskiria to get this title.

The following diploma's have been written for CPI prizes and titles; I hope I was complete with all your requests.

If I have forgotten something please let me know.

Kind regards, Frank Teer

В сопроводительном письме Frank Teer пишет, что композиторам из Беларуси дипломы будут переданы в сентябре (на ГА) лично представителям ОО «Белорусская Федерация Шашек».
