Composition of Technical Committee went through changes in 2020. In January, long-time President of Technical Committee, Mr Frank Teer resigned as the President and also as a member of the committee. Later, Mr Jacek Pawlicki also resigned from Technical Committee, but continued to work as rating director. A call to national federations to nominate candidates for the new Technical Committee President and members was made by FMJD Council in July and the new composition confirmed in their decision on October 1st, 2020 with Ms Kristi Promet as the new President of TC and Ms. Xie Fang (China) and Ms.Lubljana Turiy (USA) as new members.

The changes to annexes agreed on General Assembly in 2019 were implemented and new version of annexes published in February 2020. TC continues to advise FMJD Council on new referee titles and advised newly formed FMJD Online section on their regulations draft.

In February 2021, Latvian Draughts Federation addressed the FMJD and committees with disagreement about Council decisions concerning World Title Match. A special Commission was formed to address the arguments brought forth by LDF and to form an opinion about their questions. Technical Committee was represented by Ms. Lubljana Turiy. The Special Commission report is attached.

List of new titles for players and referees is attached.

Technical Committee proposals and remarks are attached, including the opinion on LDF change proposal.
