DRAUGHTS FEDERATION OF TURKEY
TÜRKİYE DAMA FEDERASYONU
İzmir 64-100 International Draughts Association

Dear draft federations and all draft colleagues,

As the Turkey Draughts Federation, we are nominating İbrahim ALİHAYDAR (ISMAYILOV) for the position of Director of Youth Tournaments (FMJD) in the elections to be held during the World Championship to be held in Tallinn on July 3, 2021.

İbrahim ALİHAYDAR (ISMAYILOV) is known in the world of drafting as a strong referee and organizer of international competitions. Many of the youth tournaments held in recent years have been held in Turkey under the organization of İbrahim. İbrahim has great experience in the organization and implementation of youth tournaments.

He also knows the current problems and challenges of youth draft sports in the world. We believe that İbrahim ALİHAYDAR (ISMAYILOV) understands the importance of youth sports development very well and can be a good candidate for the position of Youth Tournament Director (FMJD) to create an effective bridge between all national federations and FMJD management.

İbrahim ALİHAYDAR (ISMAYILOV) speaks the official FMJD language (Russian), which will definitely facilitate his communication.

Best regards to all,

Turkey-İzmir, 01 Jun 2021
