Proposal INDIA

There is a new federation from India (**Sports Draught Federation of India**) willing to replace the inactive FMJD member-federation from India.
The federation is already a member of WCDF but since they are also ready to develop draughts 100 they are willing to become full members of FMJD (being WCDF members now they are currently indirect FMJD members).

According to the FMJD rules the new federation from India may become provisional member after the GA 2021 if the GA decides that expulsion of the inactive current federation is reasonable.

Article 14. Expulsion
A Member shall lose its membership of FMJD on a resolution passed by the FMJD General Assembly, notably for the following reasons:
1. Refusal to pay any liabilities due to FMJD;
2. **Non-payment of any membership fees due to FMJD for 4 (four) or more years (the current federation haven't paid the membership fee more than 4 years);**
3. Refusal to comply with the provisions of the Statutes, regulations, directives and decisions of FMJD;
4. Loss of its status of representative of its sport at the international level.
5. **When the General Assembly decides that a federation in a country or territory does not represent the interests of international draughts on 100 squares sufficiently, the General Assembly can accept another federation in that country or territory as full member.**

If the GA decides that the expulsion of the inactive federation from India is reasonable we will have to inform the expelled federation officially according to the:
Notices 15.1 A notice or notification to a Member shall be deemed to have been properly received provided it was sent to the last address indicated by the Member to the Administration. 15.2 Notification regarding suspension or expulsion of the Member concerned or dissolution of FMJD shall always be sent by registered mail.

And only after the registered notification sent and the process of expulsion finished we will work with the new federation which will first become provisional FMJD member and at the GA 2023(if the GA approves) the federation will become full member.
