Executive Council of the FMJD

Dear colleagues,

The Board of the Latvia Draughts Federation nominates Roberts Misans as a candidate for the position of the Secretary General of the World Draughts Federation (FMJD) in the upcoming elections, scheduled for July 3, 2021.

Roberts Misans is well- known Latvian draughts player who has participated in many draughts' tournaments. He has a proven record of very strong leadership and organizational skills. From January 2018 to February 2020, Roberts was the president of the Latvia Draughts Federation. During this period, he significantly improved the quality and prestige of local championships. Under his leadership, the title match of the World Champion was organized between Golubeva and Sadowska. Also, he was the organizer of the World Cup stage of the Riga Open 2019 and the World Championship blitz. Both events were organized in cooperation with LDF and were held very successfully.

Therefore, we consider him a strong candidate who would be able to contribute to the future development of the draughts sport, make it more prestigious and globally acknowledged.

We would like also to inform you that at the General Assembly of the FMJD Latvia Draughts Federation will be represented by the chairman of the Executive Board Mr. Vladislavs Vesperis.

Chairman of the Executive Board
of the Latvia Draughts Federation — Vladislavs Vesperis
